

Mahmoud Elsayed Rashidy – Data Analyst

Feisal, Giza, Egypt | [LinkedIn](#) | [Github](#) | mahmoudrashidy153@gmail.com | + (20)1004940693

EDUCATION

Fayoum University, Fayoum, Egypt

Sep 2015– Aug 2021

BSc. in Engineering | Major: Computer and System Engineering | Overall: Good

Thesis: Automated Detection of Cancer Tumor Cells using Machine Learning and Deep Learning on Histopathological Images. **Final grade:** Excellent

Skills

KNOWLEGDE

- Machine Learning
- Statistics
- Data warehouse fundamentals
- Data Analysis Techniques
- Big data fundamentals

TECHNOLOGIES

- Python (NumPy, scikit-learn, ,pandas, ,seaborn, matplotlib)
- Analytical SQL
- Git - version control
- Excel
- ETL
- SQL, PL_SQL
- Power BI
- DBMS(Oracle , PostgreSQL)

PERSONAL

- Presentation skills
- Teamwork
- Fast Learner

Scholarships and Training

Information Technology Institute (ITI), Smart village branch

Apr 2022- Jul 2022

- Data analysis track

Projects

• Stock-Market-Analysis-ITI-GP

Technologies: SQL, PostgreSQL, Excel, ETL, Power BI

Description: S&500 index data analysis and visualization. [GitHub](#)

• Contracts-Installments-Project

Technologies: Oracle, SQL, PLSQL

Description: Advanced PLSQL project to manage existing and new contracts by calculating some fields and automatically insert and update fields in other tables. [GitHub](#)

• Loans-Marketing-Campaign

Technologies: Excel

Description: providing list of recommended customers that are highly likely and most surely eligible for their loan offers. [GitHub](#)
